

DEXAIR

MEDIUM DUTY AIR SUSPENSION SYSTEM

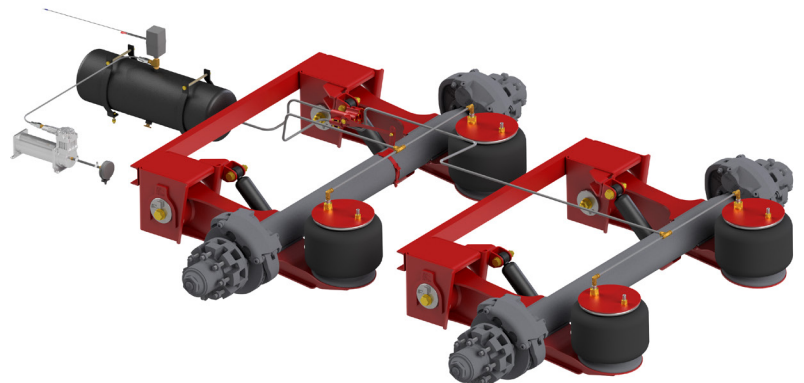

SUPERIOR RIDE QUALITY

**WHEN DURABILITY AND RIDE QUALITY ARE IMPORTANT,
LOOK NO FURTHER THAN DEXTER'S DEXAIR AIR RIDE SUSPENSION**

Utilizing the elements of much larger systems, the DexAir 15K air ride suspension system provides long-lasting cushioning in even the toughest environments. Offered as either a ready to install, complete system or as loose components the DexAir is meant to provide OEMs with installation options while providing a great ride and product support.

- Available on 5" tube axles, 10K - 15K
- Fully assembled for easy installation
- Adjustable axle alignment feature
- All-in-one product supply and support
