

# FORTRESS™

## SUPERIOR BEARING PROTECTION

## DURABILITY IN EVERY DETAIL

### REVOLUTIONARY PROTECTION

- » Reinforced retainer ring design shields against damage and protects the fill level viewing lens
- » Pre-applied Loctite® coating on mounting bolts and side-fill plug
- » Cast aluminum body with black matte finish for added protection
- » Rubber center plug, uniquely designed to fit the Dexter Fortress cap, is engineered and tested to ensure proper pressure relief

### SAVE VALUABLE TIME & EFFORT

- » Larger, easily accessible, side fill or drain plug
- » Torque values located conveniently on outside rim of cap
- » Available for oil or grease applications
- » Backed by Dexter's 5 year warranty
