

SAFETY IS MORE THAN STOPPING.

Dexter's Tow Assist System offers a genuine safety solution for drivers of all skill levels. Partnering with Bosch, an automotive technology industry leader, allows Dexter to provide a system proven to perform to stringent automotive standards.

Tow Assist utilizes Dexter's genuine running gear components that have been trusted in the RV industry for generations. Incorporating a patented sensor system protected from the elements ensures the system is built to last.

Let Dexter's Tow Assist system get you to your destination with confidence.
