Subject: Changes in Integral Disc Brake Kits

Please be advised that Dexter will no longer be offering integral disc brake kits that include only the hub-rotor and caliper. Historically, Dexter offered complete kits that included bearings, seals, Trailer Buddies, and lug nuts as well as hub-rotor & caliper only kits. Going forward, Dexter will only be offering complete integral disc brake kits that include bearings, seals, Trailer Buddies, and lug nuts. As previously communicated, product will be transitioning to Dexter branding as UFP branded product runs out.

Below is a chart listing the discontinued kits with references to the appropriate kit to use in its place. Also included below is a parts breakdown of the integral disc brake kits that are being retained.

Discontinued Integral Disc Brake Kits

PART NO.	UPC	DESCRIPTION	CROSS REFERENCE
K71-077-00	876983006465	3,750 lbs. Zinc Hub & Rotor w/ Zinc Caliper, Wheel Kit	Discontinued, Use K71-077-05
K71-077-02		3,750 lbs. Zinc Hub & Rotor w/ Zinc Caliper, Axle Kit	Discontinued, Use Qty (2) K71-077-05
K71-078-00	876983006472	3,750 lbs. Zinc Hub & Rotor w/ Aluminum Caliper, Wheel Kit	Discontinued, Use K71-078-05
