Subject: Pre-Greased Hub and Hub-Drum Kits

Dexter is pleased to introduce a product line of light-duty pre-greased hub and hub-drum kits for 2,200-7,000 lbs. axle capacities. The kits contain American-made genuine Dexter hub and hub-drums with bearings, seal, grease caps, wheel nuts, and spindle hardware. These pre-greased Dexter hub kits are compatible with various axle manufacturers.

EXAMPLE KIT RENDERING

FEATURES & BENEFITS

- Kits arrive in a sealed box wrapped in plastic with grease plugs installed to protect grease against contaminants
- Bearings and seal come installed and pre-greased reducing installation time
- Less labor, mess, reduced cleanup, and service time
- All kit components are Genuine Dexter parts, assuring that these critical safety elements are rugged and dependable and are backed by Dexter's industry-leading 5-year warranty
- Includes both E-Z Lube® & standard grease caps, spindle attachment hardware, and lug nuts.

RETAIL-READY PACKAGING FEATURES:

- Easy to read product labels with pictures for clear kit identification with UPC label included
- Easy to follow instructions
- Large icon on product label calling out pre-greased bearings to increase customer awareness
