

PRODUCT BULLETIN #469

Date: December 5, 2022

Subject: Obsolescence of 3,000 lbs. Hub-Drum Kits and 8.5" Brake Assembly

Due to low consumption, Dexter will obsolete its 3,000 lbs. hub-drum kits along with the matching 8.5" hydraulic brake assemblies and backing plate components. There will be no service parts available once the current stock of parts has been exhausted.

Please see the chart below for the Dexter part numbers being obsoleted.
