

PRODUCT BULLETIN #481

Date: July 27, 2023

Subject: Additional Pre-Greased Hub and Hub-Drum Kits

Dexter is pleased to announce the release of 14 additional products to the pre-greased hub and hub-drum kits offering. This product line was originally released as part of [product bulletin 464](#).

These kits contain American-made, genuine Dexter parts and all the installation hardware needed. They are also compatible with various axle manufacturers.
