

PRODUCT BULLETIN #518

DISCONTINUE PREDATOR DX2 ELECTRIC BRAKE CONTROLLER

October 7, 2025

Dexter is discontinuing the sale of the Predator DX2 electric brake controller due to the obsolescence of a critical component used in its manufacture. Customers seeking warranty support for a Predator DX2 brake controller should contact Dexter Customer Service at: <https://www.dextergroup.com/contact/>

DEXTER PART NUMBER 058-008-00:

End users looking to purchase an after-market brake controller for trailers utilizing Dexter DX Series or BrakeRite Electric/Hydraulic Actuator systems should refer to the compatibility guides provided by Dexter for alternative selection and integration.

QR CODE FOR DX ACTUATOR COMPATIBILITY:

For alternative after-market electric brake controllers, please contact one of Dexter's Authorized distribution partners.

Please contact your Dexter account manager for additional information and further assistance.
