

PRODUCT BULLETIN #524 SWING TONGUE OFFERINGS

February 18, 2026

Dexter offers a range of swing tongue products for the marine industry, including the E-Z Swing™ and a Standard Swing tongue. Engineered to meet the demanding needs of customers, Dexter's swing tongues are built for long-lasting durability making it ideal for boat trailers. The swing tongues are also available with a Gal-Dex® coating providing superior corrosion protection for harsh marine environments or uncoated, allowing OEM customers to choose the best solution for their trailer needs.

E-Z SWING SPECIFICATIONS:

- » 3" x 4", 3" x 5", & 3" x 6" trailer tongue applications available
- » Uncoated and Gal-Dex coating options
- » Sleek design keeps the tongue area trim and neat
- » Available to OEM customers only
